North County Network News

Most Patriotic!

The Ferguson 4th of July Festival was a sparkling success!

Once again, Airport Towing of Berkeley sponsored our float in the parade. With 44 entries, we were truly surprised to receive the "Most Patriotic Float" prize! Thank you Airport Towing and all of our Chamber Members & families that rode on the float!

We had a truly delicious booth at the festival grounds that brought everyone at least once it seemed! Ferguson's Whistle Stop generously donated our supply of Vanilla Frozen Custard all day and Fitz's, from the Delmar Loop, donated 2 kegs of their famous Root Beer.

Hewkin Auto Body made sure that none of our Law Enforcement personnel went without something yummy from our booth, thanks Steve! We sold out of everything just before the fireworks began. A very special thank you to both of our sponsors! The funds raised will help the Chamber continue to grow and excel!

Are you ready feet?.....start walkin'!

The North County Chamber of Commerce and the Children's Miracle Network have joined forces to raise funds to benefit both organizations.

A 7-day Fundraising Walk by the Ferguson-SAM'S Club's very own Marty Lutke, Aka. The 'Barefoot Okie'.

He will walk approx. **150 miles** on a route including 10 stops and ended at the St. Louis Six Flags, in Eureka.
