

## 21<sup>st</sup> Century Professional Development Podcast Series

St. Louis Community College's Center for Business, Industry and Labor (CBIL) is offering a weekly series of podcasts on professional development topics. This series of free podcasts addresses important, relevant and timely workplace topics that will give listeners a clearer understanding of the information, skills and resources needed to successfully navigate today's complex business environment.

The first set of 21st Century Professional Development podcasts explores leadership and team development topics, and is presented by Barry Schapiro, CBIL's practice leader for management and team development.
