The Trinity Catholic High School math team finished ninth among 26 schools in the freshman division of the Math Contest held November 14 at Forest Park Community College. The freshman winners were Anna Duban, Kyle and Nolan Walsh and Mike Taylor. This is the first time a Trinity team has won a team award at the contest. Other high scorers for Trinity were sophomore Rachel Toczykowski, junior Ed Ross and senior Alana Schlemmer. A total of 16 students from Trinity competed at the event.
