

The DePaul Foundation receives generous gift from Florissant Rotary!

The Rotary Club of Florissant recently presented SSM DePaul President, and fellow Rotarian, Pat Komoroski with a check for \$20,000.

The money will benefit the DePaul Foundation's efforts to raise money for DePaul's \$10.3 million Emergency Department renovation/expansion project.

In recognition of the gift, one of the nurse's stations in the new ED will always display a special plaque that reads: "Made possible by generous contributions of Florissant Rotary Club. Dedicated May 2009"

Thanks!
