

STATE OF ST. LOUIS WORKFORCE 2013

Presented by
**WORKFORCE
SOLUTIONS
GROUP**

Come hear regional thought leaders as they respond to the latest workforce research & intelligence.

Where are the jobs in our region?

Why is there a skills gap in St. Louis?

What's the labor market value of degrees and certificates?

How do online degrees compare with traditional degrees?

Do employers prefer an experienced worker over a highly-skilled new graduate?

How will the Affordable Care Act affect employment levels?
