Little Creek Seeks Volunteers at Second Annual Honeysuckle Pull

Florissant, Mo., May 1 – Little Creek Nature Area, an outdoor classroom that fosters hands-on learning in a natural setting, is seeking volunteers of all ages to help it control honeysuckle growth on its forest grounds.

The Second Annual Honeysuckle Pull will be held from 9 a.m. to noon on Saturday, May 1 at Little Creek Nature Area, 2295 Dunn Rd, in Florissant.

The Honeysuckle Pull is an ideal activity for students seeking community service hours, scouts in search of a service project and families looking for a meaningful way to help the environment. Volunteers should bring their own work gloves and hand tools.

Coffee, hot chocolate and snacks will be provided. Please R.S.V.P. by Friday, April 23 by e-mail at bstephenson@fergflor.k12.mo.us or by phone at (314) 831-7386.

Little Creek is a 96-acre hands-on classroom owned and operated by the Ferguson-Florissant School District that fosters learning in science, biology, ecology and related areas of study. It provides a fun-outdoor learning environment for approximately 12,000 students from the Ferguson-Florissant School District and several thousand community residents who visit Little Creek for science education each year.

Little Creek provides a natural habitat that is uniquely suited for:

- Teaching an understanding of nature as a total system
- Fostering knowledge of Missouri's natural environment and living organisms
- Investigating human interaction with the environment relative to science technology and society
- Developing an appreciation of the natural world and its inhabitants
- Modeling stewardship and conservation.

Please call (314) 831-7386 for more information about this event.
