### **“MADE” MTV-style**

Pattonville High School sophomore Mikala McGhee may be known for her prowess on the soccer field, but soon, the nation will see her footwork as a ballroom dancer. Mikala’s dream of becoming a ballroom dancer is receiving a nudge closer to reality with the help of the MTV reality show, “MADE.” This show is about helping teens make their dreams come true. According to the show Web site, “We’re here to prove that with dedication, hard work and a little help from MTV, kids just like you can accomplish anything they set their minds to.” A camera crew from MTV will be filming Mikala for six weeks as she moves toward her goal. The training will culminate when Mikala performs at a school-wide talent contest at 7 p.m., Saturday, May 22 sponsored by SPEAK (Students Promoting Equality and Acceptance through Knowledge), the student social justice group at Pattonville High School.
