October 22, 2009

For Immediate Release

Steve and Valerie White, owners of White Auto Body, are giving away their 1986 Porsche 911 Carrera to one lucky customer!

Steve White came up with the idea. "It's always been my dream car but instead of selling it I want to use it to bring in customers to keep my employees working."

The drawing will take place at 11:00 am December 23 at White Auto Body West. "I want to make someone happy at Christmastime," said Steve.

Eligible customers doing business at White Auto Body's O'Fallon location will be entered into the "Classic Porsche Drawing."

For additional information and drawing rules, please see below contact information.
