For Immediate Release

White Auto Body in Florissant is pleased to announce the recent recognition of Jack Dillow for 10 years of service.

Jack is a Certified Master Collision Repair/Refinishing Technician through ASE (Automotive Service Excellence). He earned the I-CAR Platinum designation through the Inter-Industry Conference. Jack was recently selected to attend specialized schooling through General Motors. Through that training, he became White Auto Body's sole GM Master-Certified Corvette Technician.

Jack graduated from Ranken Technical College's Automotive Collision Repair Technology program.

Jack resides in St. Charles, Missouri with his wife and children.
