

Bommarito VW, Honda, & Nissan of Hazelwood Fostering Peace & Prosperity Campaign

Bommarito Volkswagen, Honda, & Nissan of Hazelwood has partnered with the City of Hazelwood's Police Chief Carl Wolf. We will be providing the use of 2 Brand New 2009 Volkswagen Beetles with our ultimate goal of fostering peace and prosperity in the City of Hazelwood. Below is an explanation of how we plan to accomplish this goal and the cars that will help us accomplish our mission.

Car # 1 (The [Black One – See Attached Pictures on Page 2](#)) will be utilized for the Dare Program (Drug Abuse Resistance Program) Car. Dare officers give lectures in area schools on drug issues, gang issues, and resolving personal conflicts students may encounter in a more positive manner through role play and a host of other creative communication tools.

Car # 2 (The [White One – See Attached Pictures on Page 2](#)) will be utilized as a Citizen Patrol Car to Augment the Hazelwood Police Force. In Hazelwood, patrolling in the Citizen Patrol Car is only one of a variety of duties the city's police volunteers perform. Twenty-five to 30 volunteers also help out with bicycle patrols, court functions, the city's DARE drug prevention program for young people and limited office work.

City officials estimate police volunteers have donated more than 10,000 hours of time and thousands of dollars worth of additional service to taxpayers.

Volunteers watch for suspicious activity and call it in to police. They don't interfere.
