

FRANKLY SPEAKING ABOUT ►

Advanced Breast Cancer

Created by The Wellness Community, this free workshop offers information on the latest treatments for advanced (metastatic) breast cancer. In addition to learning about treatment options and side effect management, patients and their loved ones will also learn about ways to cope with the social and emotional challenges of this diagnosis from women living with the disease.

Featured speakers include:

- **Daniel Cuevas, MD, Medical Oncologist, SSM Cancer Care at DePaul Health Center**
- **Karen Tripp, MS, LMFT/Author and Wellness Community Facilitator**
- **Survivor Panel**

Date: Friday, September 4, 2009

Time: 10:00 – 12:00 Noon

(Registration and continental breakfast 9:30)

Location: SSM DePaul Health Center in the May Community Education Center, 12303 DePaul Drive, St. Louis, MO 63044 (Intersection of Interstates 270 and 70)
